Bonjour Allan,

I was looking at your calendar this morning and noticed that you are going to the Ignatieff Conference this w-kend.

I think that you should stay under the radar for the next weeks especially attending events where there is media.

Therefore, you might want to reconsider your attendance at the Ignatieff Conference as I am sure that there will be media present, and just the fact that you are attending might add fuel to the debate.

Food for thought ...

Salut,

A.
