**Re: FIPPA request, Maureen Robinson, Dean's office, my file DGR-15**

Dear Pamela Harrod,

By virtue of the Freedom of Information and Protection of Privacy Act of Ontario, I hereby request the following records.

I request all emails from Maureen Robinson received by the Dean of the Faculty of Science and all emails sent to Maureen Robinson by the Dean of the Faculty of Science. I also request all emails from Maureen Robinson received by the Dean of the Faculty of Science and forwarded by the Dean of the Faculty of Science to a third party. The respondent period is from September 1, 2005, to present.

In your decision letter, please include an index of all/any respondent records that are denied and the reasons for each individual denial, as required by the *Act*. In this index, for each denied record please include (1) the date the email was sent or received by the Dean and (2) the subject-line of the email, so that the denied records can be distinguished.

If there is any risk that you might misinterpret my present FIPPA request, please do not hesitate to contact me for clarification.

Maureen Robinson is and/or was a student in the Faculty of Science and was a columnist for the student newspaper *The Fulcrum*. She was also a summer research-assistant employee in the Faculty of Science in 2007. She may also have had other functions in the Faculty of Science or in the University in the respondent period.

Please find enclosed a cheque for \$5.00, the amount foreseen by the Act. Please use the above file number in all related communications.

Sincerely,

A handwritten signature in black ink that reads "Denis Rancourt". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
